“?!” Homework “?!”

- To review and practice what has been learned.
- To get ready for the next lesson.
- To explore the subject more fully than what class time allows.
- To learn to use resources / Reference Materials
  - Libraries
  - Dictionaries
  - Encyclopedias
  - Thesaurus
  - Computers

What can I do to HELP?

- Set a regular time.
- Pick a regular place.
- Pick a homework friendly environment.
  - Good lighting
  - Quiet
  - Desk or Table
- Remove Distractions.
- Be organized.
  - Have supplies on hand
- Set an Example.
- Show an Interest.
The Basic RULE of Homework

• Don’t do the assignment or homework for them.
• It’s not your homework it is theirs.
• IT IS THEIR JOB!!!!

Some Suggestions……..

• Let them pick what to do first.
• Play “soft” music.
• Clutter free area.
• Use a Tri-fold.
• Use reward charts.
• Homework…… Break…… Homework.
• Make it a GAME!
• Do Not Correct their homework.
• Go over homework when it comes home from school.
• Praise and Encourage them for work done.

How does your Child Learn

• Visual learner
  Learn best when they SEE it.

• Auditory Learner
  Use their HEARING / EARS.

• Kinesthetic Learner
  Use their BODIES in MOTION.
