How does attending school regularly help children?

Share with a partner (5 min)
Group discussion (10 min)

Why does school attendance matter?

- **Time on task:** Students who fall behind have a hard time catching up
- **Habit building:** Regular attendance builds persistence, essential for success in school and life
- **Exposure:** School exposes children to language-rich environments
- **Engagement:** Attendance indicates an engaged student; absences can signal disengagement
- **Classroom churn:** Too many students missing too many days slow down classroom instruction

3

What terms are used to describe school attendance? 

Chronic Absence is missing 10% or more school over the course of an academic year for *any* reason.

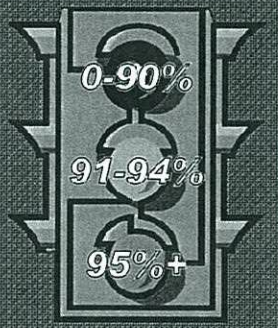

Satisfactory Attendance is missing 5% or less over the course of an academic year for any reason.

Truancy refers *only* to unexcused absences and is defined by each state, according to NCLB.

Average Daily Attendance is the % of enrolled students who attend school each day.

4

When does 90% ≠ A? 

Chronic Absence
Missing 18 days or more out of 180 day school year

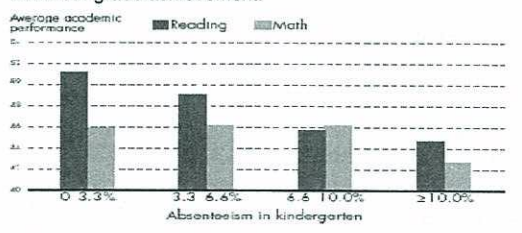

Warning Signs
Missing 9-17 days

Satisfactory Attendance
Missing less than 9 days

5

How does kindergarten absences affect academics, especially for poor kids? 

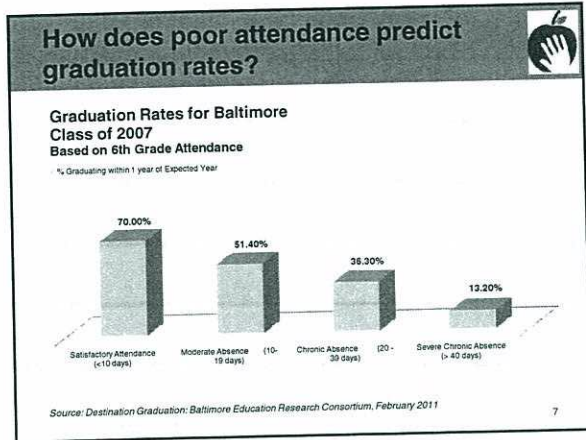

Among low-income children, chronic K absence predicted lower 5th grade achievement.

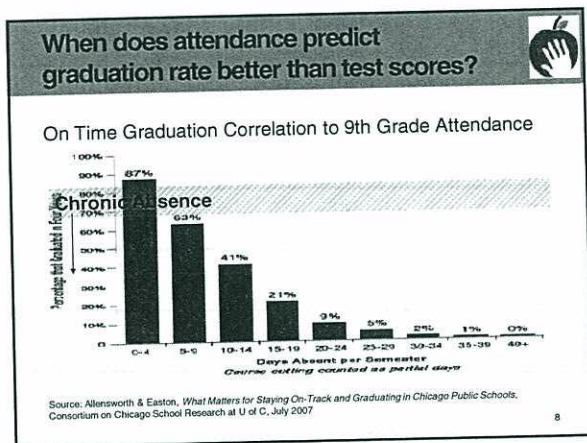

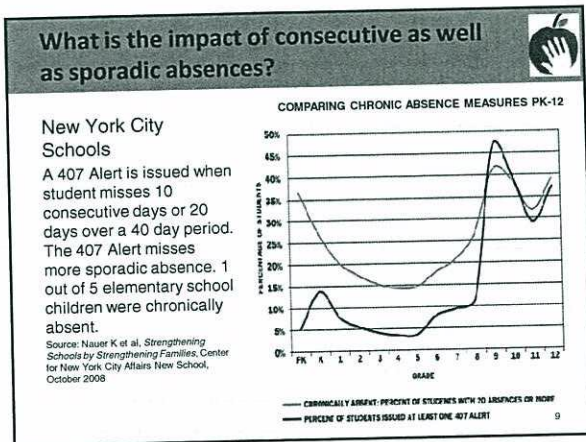

Absenteeism in kindergarten	Reading (Average academic performance)	Math (Average academic performance)
0-3.3%	~88	~82
3.3-6.6%	~85	~80
6.6-10.0%	~82	~80
≥10.0%	~78	~75

How does a comprehensive responses help improve school attendance? 

The diagram is a pyramid with five horizontal layers. On the left side, the word "Universal" is written vertically, and an arrow points from it towards the top of the pyramid, where the word "Targeted" is written. The layers of the pyramid, from bottom to top, are:

- Quality Early Care and Education Experiences
- High Quality Engaging Educational Program
- Access to Preventative Health Care
- Family Engagement in School
- Roll Regularly Taken in Caring Manner
- Parent Education & Peer Support
- Attendance Incentives
- Early outreach & case management to families with poor attendance
- Coordinated public agency and legal crisis response
