

## MAY DAY/ SPRING FLING

*THIS IS A SPRING EVENT THAT WE HOLD FOR OUR END OF THE YEAR EVENT. We currently are k-8 school, so this year we had to plan differently. A lot of parent and teacher support needed to make this work. Family events are always well attended.*

- *Started planning in November(make a personal committee )*
- *One of the things we do is have the teachers donate baskets for raffles for kids, then have adult raffles from business donations.*
- *We have ticket sales 1 week prior to may day 5 tickets for \$1.00 then have the day of 4 for \$1.00.*
- *This year we saved money buying our own food and having our cafeteria staff cook it..They volunteer there time...awesome group*
- *We have bake sale table: a month before we send out handouts asking if they would like to donate a bake sale item, then the week before I send a reminder of what they were going to bring.*
- *Games ranged of all ages,lollipop tree, ring toss, many more...Also we rented from agency for 6-8 grade we had a 11 ft slide and also sports emporium 3 in one...*
- *We had a DJ and Zumba for half hour..*
- *Also we did Ice cone vendor and French fry vendor.*

*THIS IS TO BRING THE FAMILY TOGETHER FOR FUN.....*
