

## Parent Resources

### **The Parents' Guide to Student Success**

National PTA created these guides for grades K-8 and two for grades 9-12 (one for English language arts/literacy and one for mathematics) in response to the Common Core State Standards in English language arts and mathematics.

The *Guide* includes:

- Key items that children should be learning in English language arts and mathematics in each grade, once the standards are fully implemented.
- Activities that parents can do at home to support their child's learning.
- Methods for helping parents build stronger relationships with their child's teacher.
- Tips for planning for college and career (high school only).
