**PSAYDN Mission**

PSAYDN promotes sustainable, high-quality out-of-school time youth development programs through advocacy and capacity building to enhance the welfare of Pennsylvania's children, youth and families.

---

---

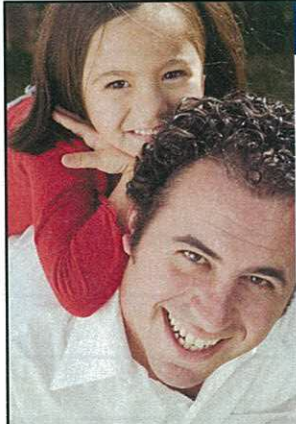

---

---

---

---

---

**PSAYDN Vision**

PSAYDN's vision is that all children and youth deserve access to high-quality out-of-school time programs that promote positive youth development and support the successful transition to adulthood.

---

---

---

---

---

---

**Goals**

**Connecting People** – Create a sustainable structure of statewide, regional and local partnerships, particularly school-community partnerships, focused on supporting policy development at all levels.

**Creating Opportunity** – Support the development and growth of statewide policies that will secure the resources needed to sustain new and existing afterschool programs.

**Changing Lives** – Support statewide systems to ensure programs are of high quality.

### Afterschool Programs

Children and youth who regularly attend high-quality afterschool programs have better grades and conduct in school; more academic and enrichment opportunities; better peer relations and emotional adjustment; and lower incidences of drug use, violence and pregnancy.

Students who participate in extracurricular activities achieve better grades, have lower rates of truancy, attain higher levels of achievement in college, and feel more attached to their schools, as documented by a 17-year study that followed 1,800 sixth-graders in ten Michigan school districts through high school and college.

Family Engagement Expectations

What are your family engagement expectations with your child's afterschool or out of school time program?

How would you raise the bar?

**Barriers - Activity**

What are some barriers that afterschool programs face when working with parents?

---

---

---

---

---

---

---

---

**Barriers**

- Lack of time
- The focus is on problems rather than assets
- Lack of family engagement programming
- Lack of staff training
- Cultural differences
- Socioeconomic and language differences
- Parental attitudes
