

The \_\_\_\_\_ Family mission statement worksheet

Use this worksheet to think through your family mission statement. Have all family members answer each question, after each question craft a value statement, then take all of your value statements and form a mission statement.

Sample question - What do we value?

Answer 1 – each other

Answer 2 – having fun together

Answer 3 – money and vacations

Answer 4 - Having time to go skiing and hang out

Answer 5 – spending time with each other (even my brother)

Sample value statement: We value the time that we spend together, at home, on vacations, and around time. We will make it a priority to grow closer as a family
