

SUPER LEARNER TRAINING CAMP

Mrs. Jennifer Blasko, Title I Reading Specialist

Reynolds Elementary School

jblasko@reynolds.k12.pa.us

Welcome Message

We will be using fairy tale characters and super heroes to practice and improve math and reading skills.

- **Super Learner Math Skills**
 - Measuring Wands
 - Bat wands and Story wands
 - Number Matching
 - Math bolts

- **Super Learner Reading Skills**
 - Reading wands
 - Story webs
 - Use a reading wand with ANY book or Fluency Cards
 - Fiction and Nonfiction Comprehension wands
 - Sight Word Bam
 - May also be used for math by changing word cards to numbers or simple math problems.
 - Letters/Sounds Game
 - Superhero Adjectives
 - Fairytale Drama Circles
 - Bookmarks

*Most of the games can be adapted to appeal to your child's favorite character. These activities can also be adapted to fit many math and early literacy skills.
