You are invited to a meeting to learn about Title I and Parent and Family Engagement. Title I supplies funding for our school to provide additional help to students in the areas of Reading and/or Math. Your child is currently receiving additional help in one of these areas. At this meeting, we will talk about our Title I program and be available to answer any questions you might have. The Title I teachers will explain:

- The regular curriculum used at our school
- The Title I Program at our school
- How your child was identified for Title I
- The assessments we use and what they mean
- The proficiency levels we will help your child to meet
- Activities that you can do at home to help your child succeed
- How you can be involved in the Title I program at school

We understand that your time is important. We are happy to provide childcare and dinner for this meeting to help make it possible for you to attend.

We look forward to seeing you at the meeting!
