ESSA states that the LEA Parent and Family Engagement Policy must be jointly developed with parents and family members, incorporated into the LEA plan (Consolidated Application), and distributed to parents of participating children in a format and language that parents can understand. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents and family members of participating children.

The policy states how the LEA involves parents and family members in the joint development of the Title I Plan (Title I Application) (*ESSA, Section 1116(a)(2)(A)*).

The policy states how the LEA provides technical assistance and support to schools in planning and implementing effective parent and family engagement activities to improve student academic achievement and school performance (*ESSA, Section 1116(a)(2)(B)*).

The policy states how the LEA will coordinate and integrate parent and family engagement strategies with other federal, state, and local laws and programs (*ESSA, Section 1116(a)(2)(C)*).

- the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and strategies to support successful school and family interactions. (*ESSA, Section 1116(a)(2)(D)(i-iii)*).

The policy states how the LEA will use the findings of the annual evaluation to design evidence-based strategies for more effective parent and family involvement, and revise, if necessary, the Parent and Family Engagement Policy (*ESSA, Section 1116(a)(2)(E)*).

The policy states how the LEA involves parents and family members in the activities of the school, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members to adequately represent the
